

Bella Vista Elementary

Egg Drop

1st -5th grades - Wednesday, May 25th 2022 @ 9:30am

Kindergarten - May 19th 2022 @ 10:30am

WHAT IS IT?

The egg drop activity is a combination of imagination, creativity and a whole lot of fun! Students get to design and build a structure to encase a RAW egg. The egg packages are thrown from the school roof. The eggs that remain intact after impact will win a prize.

Students will not take their creations home after the egg drop due to concerns about exposure to raw eggs.

WHERE IS IT?

Students + Teachers + Parents are invited to attend starting at 9:30am. The Egg Drop will be located outside on the south east side of the school. Students will be sitting on the grass however parents can bring a lawn chair if they don't want to sit on the grass.

HOW CAN THE EGG PACKAGE BE PREPARED?

Students may design and build a structure to encase a RAW egg.

Please follow these guidelines:

1. No spray or fiberglass insulation!
2. Students must be able to carry the packed eggs by themselves.
3. Students should bring their own egg and be ready to be dropped when they arrive.
4. **NO** balloons, parachutes, bubble wrap or packing peanuts. **NO PEANUT BUTTER** or **WATERMELONS**. You **MAY** use tape.
5. The egg package structure must be no larger than 15" on any side.
6. The package will be opened after it has been dropped from the roof to check the condition of the egg
7. **ALL PACKAGING AND EGG CONTENTS WILL BE DISPOSED OF.**

All participants will receive a treat!
